The all America Cup is a Chess Education Association (CEA) National Championship: For the past 14 years it has been held in Arizona. Nine games are played in 30 (using a Swiss System Format) over 2 days (November 17 & 18, 2007).

In the past this has been a great tournament; with excellent competition; very large trophies; and always at a great venue.

The 2007 All America Cup will be held at Fire Sky Resort, 4925 North Scottsdale Rd, Scottsdale, Arizona (A very nice hotel in Scottsdale, Arizona according to Richard Peterson, the event organizer.)

For kids it has always been a lot of fun with lots of great trophies and great competition. For parents and coaches, it's in Scottsdale, Arizona!! What more can I say. If you like warm weather; resort communities; golf; swimming; tennis; shopping; and horseback riding among other things, you should plan on going as a mini vacation and to see some great chess.

See attached PDF Entry Form for more details. For any questions please contact Richard Peterson, (the organizer) at 1-760-377-0061.

Regards and Viva Chess
